Leadership & Strategy in Healthcare Management: A Comprehensive Training Course

Ref.: 8_10734 **Date:** 14 - 18 Sep 2026 **Location:** Dubai - Marriott Hotel Al Jaddaf, Dubai
Fees: 4500 Euro

The Healthcare Management Training Course Overview:

Welcome to "The Healthcare Management Training Course," a program that aims to cover a broad spectrum of essential competencies such as healthcare strategy, leadership in healthcare, managing mental health in the workplace, quality improvement in healthcare, and human resource management in healthcare. This is not your ordinary healthcare management training program. This course combines best HR practices in healthcare industry with the expertise in managing patients with multimorbidity in primary care. We emphasize the importance of data governance and provide comprehensive healthcare management training courses to deal with current challenges like managing risk in mental health. Enhance your skills and arm yourself with the tools to excel in the evolving healthcare industry.

Target Audience:

- Healthcare Managers
- Primary Care Doctors
- HR Professionals in Healthcare
- Healthcare Strategy Executives
- Quality Improvement Officers

Targeted Organizational Departments:

- Human Resources
- Quality Improvement
- Strategic Planning
- Mental Health Services
- Primary Care Services

Targeted Industries:

- Healthcare
- Pharmaceuticals
- Medical Devices
- Mental Health Services

Course Offerings:

By the end of this course, participants will:

1. Understand healthcare strategy and planning
2. Learn human resource management best practices specific to healthcare
3. Gain insights into managing mental health in the workplace
4. Familiarize themselves with quality improvement methods and examples
5. Acquire knowledge on effective leadership styles in healthcare

Training Methodology:

This course utilizes a mix of healthcare management training methodologies, including case studies that illustrate managing patients with chronic illnesses in primary care, group discussions on healthcare strategy, and interactive sessions on managing mental health in the workplace. Reflection and feedback sessions will also be held to gauge understanding and discuss real-world applications of the concepts.

Course Toolbox:

- Workbook
- Case Studies
- PowerPoint Presentations
- Online Resources
- Templates and Checklists for Quality Improvement
