## ISO 26000: Mastering Social Responsibility Standards Training Course Overview:

In the era of globalized business, mastering social responsibility is more crucial than ever. The "ISO 26000: Mastering Social Responsibility Standards Training Course" offers a comprehensive dive into the ISO 26000 standards. Participants will grasp the essence of organizational governance in ISO 26000, delve into the nuances of human rights, labor practices, and environmental responsibility, and much more. The training also touches on the cultural differences in social responsibility and the implications of the standards on trade. Learn from real-world case studies, understand the relationship between ISO 26000 and other entities like the UN Global Compact, and gain insights from a Brazilian perspective on implementation. This course is a definitive guide for mastering ISO 26000 for business ethics.

## Target Audience:

- CSR Managers and Executives
- HR Professionals
- Environmental Compliance Officers
- Supply Chain Managers
- Quality Assurance Managers
- Professionals involved in stakeholder engagement
- Management Consultants

## Targeted Organizational Departments:

- Human Resources
