Mastering Leadership through Effective Coaching Techniques Training Course

Ref: 31_12414 **Date:** 11 – 15 October 2027 **Location:** Dubai **Fees:** 4500 Euro

Mastering Leadership through Effective Coaching Techniques Training Course Overview:

The "Mastering Leadership through Effective Coaching Techniques" training course offers a deep dive into leadership dynamics and the transformative power of coaching. It provides unique insights into the Simpson 3Ds Coaching Model, focusing on the 'Diagnose, Design, Deliver' method, fostering a profound Coaching Mindset Shift. This course encompasses holistic approaches, from Inside-Out Coaching strategies to adopting an Abundance Mindset in coaching sessions. Participants will be enriched with the principles of Authentic Leadership Coaching, Emotional Intelligence in Coaching, and an exploration of the pivotal role of trust in coaching. Our structured coaching conversations training ensures clarity and effective communication, while emphasis on feedback techniques equips leaders with skills for continuous improvement. We proudly champion a Whole-Person Coaching Approach and delve into global challenges through our modules on Global Diversity in Coaching. This training program is essential for any professional eager to elevate their leadership through potent coaching techniques.

Target Audience:

- Senior Managers
- Team Leaders
- HR Professionals
- Department Heads
- Organizational Development Specialists
- Any professional aspiring for leadership roles
- Skills target: Effective Leadership through Coaching, Emotional Intelligence in Coaching, Setting Priorities in Leadership Coaching, Feedback in Leadership Coaching.

Targeted Organizational Departments:

How This Course is Different from Other Mastering Leadership through Effective Coaching Techniques Training Course:

Unlike other courses, our "Mastering Leadership through Effective Coaching Techniques" training program boasts a comprehensive curriculum, emphasizing the Simpson 3Ds Coaching Model. We deeply understand the value of a Coaching Mindset Shift and prioritize Emotional Intelligence in Coaching. Our focus on Feedback in Leadership Coaching sets us apart, as does our commitment to championing a Whole-Person Coaching Approach. Our modules on Global Diversity in Coaching recognize the globalized business landscape, ensuring leaders are equipped to lead across borders. This course is a culmination of modern coaching strategies, designed for leaders in the making.
