## The First Aid Manual Training Course Overview:

This comprehensive 'The First Aid Manual Training Course' provides an in-depth understanding of essential first aid practices. Covering everything from Basic Life Support, CPR Training, and AED Use, to Emergency First Aid, this course is tailored for those seeking robust, practical knowledge in handling medical emergencies. Participants will learn critical skills such as Injury Assessment in First Aid, managing Respiratory Emergency First Aid, and effectively responding to Choking incidents in adults, children, and infants. Additionally, the course delves into specialized areas like Stroke and Heart Attack Response, Seizure Management, and First Aid for Heatstroke and Hypothermia. Advanced modules include Mental Health First Aid and First Aid for Major Incidents, ensuring a well-rounded skill set for all attendees. Ideal for workplace readiness, this course also aligns with HSE Approved First Aid Training standards, making it a must-have qualification for professionals across various industries.

## Target Audience:

- Safety officers
- Healthcare professionals
- School teachers
- Sports coaches
- Corporate employees
- Facility managers
- Human resources personnel

## Targeted Organizational Departments:

- Human Resources
- Health and Safety
- Facility Management
- Educational Departments
- Emergency Response Teams

## Targeted Industries:

- Healthcare
- Education
- Construction
- Sports
- Corporate Sectors
- Manufacturing
- Hospitality

## Course Offerings:

Participants will acquire skills and knowledge in:

- CPR for adults, children, and infants
- AED operation and training
- Managing shock and severe bleeding
- Treating burns and scalds
- Fracture management
- Handling poisoning and allergic reactions
- Emergency childbirth first aid
- Conducting injury assessments
- Mental health first aid
- First aid for major incidents
- Compliance with HSE approved first aid training

## Training Methodology:

This course employs a blend of interactive sessions, practical demonstrations, case studies, and group work. Participants will engage in hands-on practice with AEDs, role-play scenarios for emergency childbirth, and simulations for handling major incidents and mental health crises.

## Course Toolbox:

- Online first aid resources
- Case study and scenario-based learning materials

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
