Procurement KPIs: Measuring and Enhancing Supply Chain Performance

Ref.: 36237_17997 **Date:** 26 - 30 May 2026 **Location:** Tokyo **Fees:** 10000 **Euro**

Course Overview:

The "Procurement KPI's" course is meticulously designed to provide participants with a deep understanding of Key Performance Indicators KPIs in procurement. This course offers an in-depth dive into setting, measuring, and analyzing KPIs, ensuring participants receive comprehensive training to enhance their procurement processes and performance. Emphasizing the nuances of procurement metrics, participants will learn to manage and optimize vendor relations and procurement activities effectively. This course is more than just a procurement training program; it's a journey into mastering the complete cycle of procurement performance management.

Target Audience:

- Procurement Managers
- Purchasing Managers
- Supply Chain Managers
- Entry-level procurement professionals

Targeted Organizational Departments:

- Procurement & Purchasing Departments
- Supply Chain & Logistics
- Inventory Management

Target Industries:

- Retail
- Manufacturing
- Logistics and Freight
- Healthcare
- Information Technology

Course Offering:

By the end of the course participants will be able to:

- Understanding the importance of KPIs in procurement
- Setting relevant and effective KPIs
- Measuring and analyzing procurement performance
- Optimizing vendor relations using KPIs
- Implementing best practices in procurement performance management

Training Methodology:

The "Procurement KPI's" course adopts a multi-faceted approach. Participants will experience interactive sessions involving case studies from various industries, enhancing their understanding of procurement performance management. Group work is prioritized to encourage collaboration, while feedback sessions ensure each participant's learning trajectory is on the right track. By integrating theoretical and practical knowledge, participants receive a balanced learning experience.

Course Toolbox:

- Comprehensive workbooks covering procurement KPI materials
- Online resources for procurement performance management
- Checklists for setting and measuring KPIs
- Templates for vendor performance evaluation
- Case studies and real-world examples
- Access to an online course forum

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
