Course Overview:

This course is designed to equip HR professionals with the knowledge and skills necessary to excel in the PHRI certification exam. This complete course covers key areas such as business management, the general business environment, and industry best practices. Participants will learn to effectively interact with cross-functional stakeholders and make informed decisions, enhancing their risk management capabilities. The curriculum includes essential topics like compliance audits, managing internal and external threats, ensuring safety, and addressing conflicts of interest. Additionally, the course delves into employee relations, change management, automation, digitalization, and gap analysis. Attendees will master business metrics, data interpretation, and strategies to reduce attrition rates while promoting diversity in hiring. By understanding time-to-hire, time-to-fill, and return on investment ROI, participants will drive continuous improvement. Emphasizing organizational culture, core values, and ethical expectations, the course also highlights diversity, equity, and inclusion DEI initiatives and employer branding. Legal aspects such as labor laws and hiring policies are thoroughly covered, alongside effective sourcing methods, employee referrals, and leveraging social media, job boards, and internal postings.
