# Mastering Collection Development and Management Training Course

**Ref.:** 36283\_21260 **Date:** 11 - 15 May 2027 **Location:** Kuala Lumpur **Fees:** 5200 Euro

## Course Overview:

The course offers a complete and in-depth exploration of the critical elements of collection development and archive management. This course is designed to provide participants with a solid foundation in the principles and practices of collection development, from historical overviews and theories of selection in archives to modern techniques and future trends in collection management. Participants will learn about organizational models in Archives, essential skills for collection management, and ethical issues surrounding collection development. The course also covers crucial topics such as Archive planning and policymaking, budgeting for collection development, developing Archive collections, and managing vendor relations, negotiations, and contracts. With a focus on practical applications, the course delves into weeding Archive collections, storage solutions, preservation, conservation, and ensuring collection protection and security. Additionally, participants will explore marketing strategies, Archive liaison activities, social media engagement, and advanced collection analysis tools. The training emphasizes collaborative collection development, resource sharing, bibliographic access, and cooperative collection management, making it an essential resource for Archive professionals looking to enhance their skills and knowledge in this field.

## Target Audience:

- Librarians
- Collection Development Managers
- Archive Technicians
- Archivists
- Information Specialists
- Archive Directors
- Corporate Information Managers

## Targeted Organizational Departments:

- Archive and Information Services
- Archives and Records Management
- Corporate Archives
- Academic Archives
- Public Archives
- Special Archives
- Government Information Centers
- Research and Development Archives

## Targeted Industries:

- Education
- Government
- Corporate Sector
- Healthcare
- Law
- Non-profit Organizations
- Research Institutions
- Technology Firms

## Course Offerings:

By the end of this course, participants will be able to:

- Develop and manage complete archive collections.
- Understand the historical and theoretical foundations of collection development.
- Implement effective selection and evaluation criteria.
- Navigate organizational models and staffing responsibilities in Archives.
- Address ethical issues in collection development and management.
- Create and implement Archive planning and policymaking strategies.
- Develop and manage Archive budgets.
- Foster strong vendor relations and manage Archive contracts.
- Conduct weeding, storage, preservation, and security of collections.
- Market Archive collections and manage outreach activities.
- Utilize social media for Archive engagement.
- Apply advanced collection analysis tools and demonstrate value.
- Collaborate in collection development and resource sharing.
- Evaluate and improve collection management practices.

## Training Methodology:

The course employs a variety of engaging training methodologies to ensure a complete learning experience. Participants will benefit from case studies that provide real-world examples of successful collection management practices. Group work and interactive sessions will encourage collaboration and the sharing of ideas among participants. Feedback sessions will provide personalized insights and guidance to enhance learning outcomes.

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
