- Reflection & Review: Recap of the course and an interactive Q&A session

## **How This Course is Different from Other ITIL FOUNDATION Training Courses:**

Our 'ITIL FOUNDATION: Non ITIL Training Course' stands out for its in-depth, comprehensive coverage of ITIL v4 training. Unlike typical management courses, this course focuses not just on the theory, but also on the practical application of ITIL service management training. The course bridges the gap between ITIL theory and practice by focusing on real-world IT service management issues and solutions. Emphasis is placed on understanding the ITIL service value system, the service management process, and how to implement ITIL in an organization effectively.

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.
