# Mastering Procurement and Tendering Management for Mega Projects

**Ref.:** 36330\_24605 **Date:** 05 - 09 Oct 2026 **Location:** Dubai - Marriott Hotel Al Jaddaf, Dubai  
**Fees:** 4500 **Euro**

## Course Overview:

The program provides professionals with the knowledge to manage large-scale procurement projects and tendering processes. It covers procurement management, tendering for mega projects, procurement policy overview, electronic tendering services, procurement planning strategies, bid solicitation and evaluation methods, risk management in tendering, inventory management, supplier selection, contract negotiation, financial control, quality assurance, and procurement logistics.

## Target Audience:

- Procurement Managers
- Tendering Officers
- Supply Chain Managers
- Contract Managers
- Project Managers in Mega Projects
- Government Procurement Officers

## Targeted Organizational Departments:

- Procurement & Sourcing Departments
- Supply Chain and Logistics Teams
- Finance and Risk Management Units
- Government Tendering and Contracts Teams

## Targeted Industries:

- Construction and Infrastructure
- Energy and Utilities
- Public Sector and Government Agencies
- Defense and Aerospace
- Oil & Gas

## Course Offerings:

By the end of this course, participants will be able to:

- Develop advanced procurement planning strategies for mega projects.
- Master bid solicitation and evaluation processes to ensure compliance and efficiency.
- Implement financial security measures and mitigate risks in tendering.
- Lead contract negotiation and management for large-scale projects.
- Execute effective inventory management and project goods handover procedures.

## Training Methodology:

This course combines interactive lectures, case studies, group activities, and feedback sessions. Participants engage in hands-on exercises to address real-world procurement challenges like tendering for mega projects, procurement planning, and contract negotiation. The course uses procurement-specific methods to simulate sourcing and supplier selection processes, bid evaluations, and financial control scenarios. Group discussions, peer collaboration, and feedback sessions reinforce learning and provide practical insights into government procurement authority and competitive contracts.

## Course Toolbox:

- Course ebook
- Tendering process templates
- Bid evaluation and supplier selection checklists
- Financial control in procurement resources
- Case studies on mega project procurement

## Course Agenda:

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
