The Agile Job Evaluation Certification Training Course

Ref.: 1009_246348 **Date:** 20 - 24 Oct 2025 **Location:** Paris **Fees:** 5700 **Euro**

Course Overview:

Designed for HR specialists, business partners, and managers, this comprehensive training course equips learners with modern strategies and tools to redefine their roles in a rapidly evolving business environment. The Agile Job Evaluation Certification Course teaches job analysis and evaluation, qualitative methods of job evaluation, and job performance evaluation from an agile perspective. This innovative course merges Agile methodology with traditional HR functions and introduces an Agile HR certification. Offering more than a standard training program, it provides clear job evaluation definitions, elaborates on the difference between job evaluation and job description, and advocates for agility in HR.

Target Audience:

- HR Specialists
- HR Business Partners
- Human Resource Managers
- Agile HR Practitioners
- Human Resource Specialists

Targeted Organizational Departments:

- Human Resources Department
- Project Management Department
- Organizational Design Department

Targeted Industries:

- Tech Industry
- Consultancies
- Large corporations implementing Agile
- Any Industry undergoing digital transformation

Course Offerings:

By the end of this course, participants will be able to:

- Understanding and implementing Agile methodologies in job analysis and evaluation
- Embracing HR functions within an Agile framework
- Job hazard analysis training in Agile environments
- Hay job evaluation training
- Succession planning training with Agile considerations
- Human Resource Management and planning in Agile context
- Define Total Rewards: Understand its components, including compensation, benefits, work-life balance, and recognition.
- Develop Strategies: Create Total Rewards strategies aligned with organizational goals.
- Compensation Management: Learn salary structures, pay grades, and pay-for-performance models.
- Benefits Administration: Compare benefits types and manage enrollment and compliance.
- Recognition Programs: Design effective recognition and reward systems.

Training Methodology:

Our Agile Job Evaluation Certification Course uses various training methodologies including interactive sessions, group work, case studies related to Agile project management, job evaluation methods, and human resource planning. Each session concludes with a feedback round, enabling participants to reflect on the agility in HR and clarify ambiguities.

Course Toolbox:

- Agile Management Software
- Job Evaluation Checklists
- Templates for job analysis and performance evaluation
- Agile HR Reading Materials
- Replacement charts for succession planning
- Organizational design software and resources

How This Course is Different from Other The Agile Job Evaluation Certification Training Courses:

This course sets itself apart by fully integrating Agile principles with HR functions.

Unlike other job evaluation courses, this training program extends beyond basic job evaluation definition and explores job hazard analysis training, job analysis and evaluation, and succession planning training in an Agile context.

The course also prepares you for Agile HR certification, propelling you to the forefront of the field as an Agile HR practitioner.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.
