How This Course is Different from Other Organize for Innovation Courses:

'Organize for Innovation: Rethinking How We Work' stands out due to its holistic approach towards innovation. Unlike a conventional innovation course, this program brings together elements from an innovation management course, business model innovation course, creativity and design thinking course, and an entrepreneurship and innovation course. Our course emphasizes not only innovation skills training but also how to inspire and manage innovation within a team, a crucial aspect usually missing in standard innovation training courses.
