Leadership & Strategy in Healthcare Management: A Comprehensive Training Course

Ref.: 8_251264 **Date:** 27 - 31 Oct 2025 **Location:** Zoom **Fees:** 1350 **Euro**

The Healthcare Management Training Course Overview:

Welcome to "The Healthcare Management Training Course," a program that aims to cover a broad spectrum of essential competencies such as healthcare strategy, leadership in healthcare, managing mental health in the workplace, quality improvement in healthcare, and human resource management in healthcare. This is not your ordinary healthcare management training program. This course combines best HR practices in healthcare industry with the expertise in managing patients with multimorbidity in primary care. We emphasize the importance of data governance and provide comprehensive healthcare management training courses to deal with current challenges like managing risk in mental health. Enhance your skills and arm yourself with the tools to excel in the evolving healthcare industry.

Target Audience:

- Healthcare Managers
- Primary Care Doctors
- HR Professionals in Healthcare
- Healthcare Strategy Executives
- Quality Improvement Officers

Targeted Organizational Departments:

- Human Resources
- Quality Improvement
- Strategic Planning
- Mental Health Services
- Primary Care Services

Targeted Industries:

- Healthcare
- Pharmaceuticals
- Medical Devices
- Mental Health Services

Course Offerings:

By the end of this course, participants will:

1. Understand healthcare strategy and planning
2. Learn human resource management best practices specific to healthcare
3. Gain insights into managing mental health in the workplace
4. Familiarize themselves with quality improvement methods and examples
5. Acquire knowledge on effective leadership styles in healthcare

Training Methodology:

This course utilizes a mix of healthcare management training methodologies, including case studies that illustrate managing patients with chronic illnesses in primary care, group discussions on healthcare strategy, and interactive sessions on managing mental health in the workplace. Reflection and feedback sessions will also be held to gauge understanding and discuss real-world applications of the concepts.

Course Toolbox:

- Workbook
- Case Studies
- PowerPoint Presentations
- Online Resources
- Templates and Checklists for Quality Improvement

- **Reflection & Review**

How This Course is Different from Other Healthcare Management Training Courses:

This course offers a unique blend of healthcare management training programs, combining aspects of primary care, mental health, human resources, and quality improvement. What sets this course apart is its focus on real-world applicability. From managing patients with multimorbidity to providing insights into healthcare strategy from industry leaders, this course addresses the critical gaps in today's healthcare management training landscape.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
