Ref.: 36339_25309 **Date:** 13 - 17 Jan 2026 **Location:** Madrid **Fees:** 5700 **Euro**

Course Overview:

This course aims to improve the skills and knowledge of educators, parents, and caregivers by providing hands-on experience with Montessori techniques. It covers important topics such as Montessori training programs, child-centred learning, and creating a prepared environment. Participants will gain in-depth knowledge of Montessori principles including Practical Life, Sensorial Education, and Cosmic Education. By attending this course, participants will learn to effectively implement Montessori methods to ensure a child's holistic development. The course also offers specialized sessions tailored to different educational settings, making it a valuable resource for professionals seeking to deepen their understanding of the Montessori method. The combination of practical training, expert instruction, and real-world applications ensures that participants leave with the skills necessary to foster independent, curious learners.

Target Audience:

- Educators
- Aspiring Teachers
- Educational Professionals
- Parents and Caregivers

Targeted Organizational Departments:

- Early Childhood Education Departments
- Teacher Training Institutes
- Curriculum Development Teams

Targeted Industries:

How This Course is Different from Other Montessori Courses:

This course stands out for its hands-on approach, which not only focuses on the theoretical aspects of Montessori education but also includes extensive practical training. Unlike other courses, this program incorporates post-training follow-up sessions to ensure that participants effectively implement Montessori principles. The course also integrates interdisciplinary projects, providing a unique perspective on how various subjects can be connected to create a cohesive learning experience. Additionally, participants receive personalized feedback and practical assessments, resulting in an immersive learning experience that prepares them for success in the educational field.
