Mastering The Art of Facilities Management Training Course

Ref.: 36264_258228 **Date:** 12 - 16 May 2025 **Location:** Sharm El-Sheikh **Fees:** 3300 **Euro**

Course Overview:

The course is designed to provide complete knowledge and practical skills essential for effective facilities management. This course covers a wide array of critical topics, including Health and Safety Compliance, Risk Assessment in Facilities Management, Building Maintenance Best Practices, and Occupational Health and Safety. Participants will gain an in-depth understanding of the Corporate Manslaughter Act 2007, Construction Management Safety, Fire Safety Regulations, and Workplace Well-being Improvement. Environmental Protection in Facilities Management and Flexible Working Policies are also key components of the curriculum. The course further explores Property Law Compliance, Financial Management in Facilities, Risk Management Strategies, and Business Continuity Planning. By the end of this training, attendees will be well-versed in Outsourcing Facilities Management, Transport Policies for Facilities, Information Technology in Facilities Management, Energy Efficiency in Facilities, and Waste Management Solutions. The course ensures that participants are equipped to handle Space Design and Management, Safety and Security Measures, CCTV Security Systems, Plant and Property Maintenance, and Preventive Maintenance Programs.

Target Audience:

- Facility Managers
- Operations Managers
- Health and Safety Officers
- Property Managers
- Maintenance Supervisors
- Building and Construction Managers
- Environmental Health Officers

Targeted Organizational Departments:

- Operations
- Health and Safety
- Property Management
- Maintenance
- Environmental Services
- IT and Security

Targeted Industries:

- Real Estate

- Construction
- Manufacturing
- Healthcare
- Education
- Government

Course Offerings:

By the end of this course, participants will be able to:

- Develop and implement complete facilities management strategies.
- Ensure compliance with Health and Safety regulations.
- Conduct effective risk assessments and implement mitigation techniques.
- Manage building maintenance programs efficiently.
- Understand and apply the Corporate Manslaughter Act 2007.
- Enhance workplace well-being and safety.
- Integrate environmental protection practices into facilities management.
- Apply flexible working policies and manage property law compliance.
- Optimize financial management within facilities operations.
- Develop robust business continuity plans and manage outsourcing effectively.

Training Methodology:

This course utilizes a blend of interactive training methods, including case studies, group discussions, practical exercises, and feedback sessions. Participants will engage in real-world scenarios to apply their learning and develop problem-solving skills. The course incorporates hands-on activities to reinforce key concepts and techniques, ensuring a practical understanding of facilities management best practices.

Course Toolbox:

- complete workbooks
- Reading materials and reference guides
- Interactive case studies and real-world scenarios

- **Topic 6:** Information Technology in Facilities Management: IT Infrastructure and Digital Risk
- **Reflection & Review:** Reflection & Review on Day 5 topics

How This Course is Different from Other Facilities Management Courses:

This training course stands out by offering a holistic and integrative approach to facilities management. Unlike other courses, it covers an extensive range of topics, from Health and Safety Compliance to advanced IT Infrastructure in Facilities. This course emphasizes practical application, with real-world case studies and interactive sessions that ensure participants can implement what they learn. The focus on current industry trends, such as Environmental Protection and Sustainable Facilities Management, prepares attendees to meet modern challenges head-on.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
