Excellence In Scholarship Supervision and Management Training Course

Ref.: 36268_259110 **Date:** 29 Sep - 03 Oct 2025 **Location:** Paris **Fees:** 4800 **Euro**

Course Overview:

The course aims to enhance the skills of Scholarship Supervision Specialists by focusing on improving academic advising for scholarship students, enhancing report preparation and analysis capabilities, developing advanced Excel skills, and mastering high-level presentation design. Delivered over 5 days with 5 hours of training each day, the course is targeted at professionals who support students. The program emphasizes the development of effective academic advising skills to ensure complete support for students at various educational stages. Additionally, the course boosts administrative productivity by refining planning and organizational skills and utilizing technical tools

Target Audience:

- Scholarship Supervision Specialists
- Academic Advisors
- Student Support Officers
- Education Administrators
- HR Development Officers
- Professional Development Coordinators
- Educational Counsellors

Targeted Organizational Departments:

- Human Resources Development
- Academic Affairs
- Student Services
- Educational Administration
- Professional Development
- International Programs

Course Offerings:

By the end of this course, participants will be able to:

- Develop and implement effective academic advising plans for students.
- Prepare and analyse detailed weekly and monthly reports.
- Utilize advanced Excel skills for data entry, analysis, and reporting.
- Design professional and impactful PowerPoint presentations.
- Enhance administrative productivity through effective time management and organizational skills.

- Communicate professionally with managers, colleagues, and other stakeholders.
- Pursue continuous personal and professional development.

Training Methodology:

The course employs a blend of interactive training methodologies to ensure a complete learning experience. Participants will engage in case studies that provide real-world applications of academic advising and scholarship management, enhancing their understanding of the concepts. Group work and collaborative projects will foster teamwork and problem-solving skills. Interactive sessions will include hands-on exercises with Excel and PowerPoint, allowing participants to apply theoretical knowledge practically. Feedback sessions will be conducted regularly to address any learning gaps and reinforce key concepts.

Course Toolbox:

- complete Workbooks
- Reading Materials and Academic Articles
- Online Resources and Tutorials
- Case Study Examples
