# Mastering Procurement and Tendering Management for Mega Projects

**Ref.:** 36330\_261867 **Date:** 12 - 16 May 2025 **Location:** Dubai - Residence Inn by Marriott Sheikh Zayed Road **Fees:** 3700 **Euro**

## Course Overview:

The program provides professionals with the knowledge to manage large-scale procurement projects and tendering processes. It covers procurement management, tendering for mega projects, procurement policy overview, electronic tendering services, procurement planning strategies, bid solicitation and evaluation methods, risk management in tendering, inventory management, supplier selection, contract negotiation, financial control, quality assurance, and procurement logistics.

## Target Audience:

- Procurement Managers
- Tendering Officers
- Supply Chain Managers
- Contract Managers
- Project Managers in Mega Projects
- Government Procurement Officers

## Targeted Organizational Departments:

- Procurement & Sourcing Departments
- Supply Chain and Logistics Teams
- Finance and Risk Management Units
- Government Tendering and Contracts Teams

## Targeted Industries:

- Construction and Infrastructure
- Energy and Utilities
- Public Sector and Government Agencies
- Defense and Aerospace
- Oil & Gas

## Course Offerings:

By the end of this course, participants will be able to:

- Develop advanced procurement planning strategies for mega projects.
- Master bid solicitation and evaluation processes to ensure compliance and efficiency.
- Implement financial security measures and mitigate risks in tendering.
- Lead contract negotiation and management for large-scale projects.
- Execute effective inventory management and project goods handover procedures.

## Training Methodology:

This course combines interactive lectures, case studies, group activities, and feedback sessions. Participants engage in hands-on exercises to address real-world procurement challenges like tendering for mega projects, procurement planning, and contract negotiation. The course uses procurement-specific methods to simulate sourcing and supplier selection processes, bid evaluations, and financial control scenarios. Group discussions, peer collaboration, and feedback sessions reinforce learning and provide practical insights into government procurement authority and competitive contracts.

## Course Toolbox:

- Course ebook
- Tendering process templates
- Bid evaluation and supplier selection checklists
- Financial control in procurement resources
- Case studies on Mega project procurement
