

# Public-Private Partnership (PPP) Training Course

27 - 31 Jul 2025  
Amman

## Public-Private Partnership (PPP) Training Course

**Ref.:** 11\_264865 **Date:** 27 - 31 Jul 2025 **Location:** Amman **Fees:** 3300 **Euro**

### Public-Private Partnership Training Course Overview:

Welcome to the ultimate Public-Private Partnership Training Course. With rising global economic issues that affect investment markets, there's never been a more critical time to understand how public and private sectors can collaborate. This course aims to provide greater efficiency in manufacturing, greater energy efficiency, and offer solutions to technical issues. You will learn about the legal framework for infrastructure privatization, contracts management, and project financing methods. We will cover Requirements and Expectations in various sectors, focusing on international project financing and large project financing options, including solar and power project financing structures.

### Target Audience:

- Public Policy Makers
- Corporate Strategy Managers
- Contracts Managers
- Project Managers
- Energy Efficiency Consultants
- Investment Analysts

This course will help you grasp the complexities of technical issues, legal frameworks, and project financing, addressing gaps in understanding Requirements and Expectations.

### Targeted Organizational Departments:

- Public Affairs
- Manufacturing
- Energy Management
- Contracts Management
- Project Implementation Unit
- Finance Department

## Targeted Industries:

- Energy focus on energy efficiency events in greater Birmingham
- Infrastructure
- Manufacturing with a focus on greater efficiency in manufacturing key details
- Consulting management consulting contracts
- Financial Institutions who issues commercial paper?

## Course Offerings:

Participants will gain:

1. An understanding of different types of legal framework and contracts management solutions.
2. Strategies for greater productivity and efficiency in public-private partnerships.
3. Case studies on economic and social issues related to infrastructure privatization.
4. Skills on how to solve technical issues.

## Training Methodology:

Our training methodology involves interactive sessions, case studies, group work, and feedback sessions. The course will leverage real-life examples of technical issues and illustrate contracts management job descriptions to provide practical experience. Different project financing sources and project financing training materials will be used for a deeper understanding of international project financing.

## Course Toolbox:

- Legal Framework Guide
- Contracts Management Certification Prep Material
- Efficiency Metrics Toolkit
- Technical Issues Troubleshooting Checklist
- Project Financing Templates

## **How This Course is Different from Other Public-Private Partnership Courses:**

Unlike other courses, we address not just the 'what' but also the 'how'—from addressing technical issues to exploring various project financing methods, to certifications in contracts management. Our focus extends from economic and social issues to international project financing, making it a one-stop-shop for all your needs.

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
