Strategic Asset, Property, and Inventory Management with Insights into Facilities and Customer Services

Ref.: 36377_265259 **Date:** 06 - 17 Oct 2025 **Location:** Tokyo **Fees:** 9500 Euro

Course Overview:

This training program is designed for senior officials seeking an integrated approach to Asset Management, Property Management, and Inventory Management, with additional insights into Facilities Management and Customer Services. The course equips participants with strategic decision-making tools and an understanding of the latest technologies and innovations in management. Participants will leave with a clear understanding of how to optimize operations, maximize asset value, and enhance overall management efficiency in their organizations.

Target Audience:

- Senior Managers and Executives
- Directors of Operations, Property, and Asset Management
- Strategic Planners

Targeted Organizational Departments:

- Executive Leadership Teams
- Asset Management Division
- Property Management and Real Estate Office
- Inventory Control and Supply Chain Management
- Facilities and Operations Management

Course Offerings:

By the end of this course, participants will:

1. **Asset Management:** Master asset lifecycle strategies, make high-level decisions on asset acquisition, utilization, and disposal, and implement cutting-edge technologies to optimize asset performance.
2. **Property Management:** Gain a deep understanding of managing high-value property portfolios, with a focus on financial oversight, legal compliance, and maximizing property ROI.
3. **Inventory Management:** Implement advanced techniques to streamline inventory operations, reduce holding costs, and leverage data analytics for strategic decision-making.
4. **Facilities and Customer Services:** Understand the fundamentals of facilities management and the importance of customer service in maintaining operational excellence, particularly in large, multi-faceted organizations.

Training Methodology:

This program employs a blend of strategic lectures, In-depth discussions, case studies, and workshops. The course is designed to engage participants at a strategic level, ensuring they can directly apply learned concepts to their leadership roles.

Course Toolbox:

- Executive notes and handouts
- Case studies tailored to the participant's industry
- Strategic frameworks and decision-making tools
- Curated reading lists and resources for senior executives
