Training Course in Persuasion: How to Win Every Argument

Ref.: 36384_265499 **Date:** 07 - 11 Jul 2025 **Location:** Dubai - Marriott Hotel Al Jaddaf, Dubai
Fees: 4500 **Euro**

Course Overview:

This course equips participants with effective methods for persuasion, debate, and critical thinking. It focuses on constructing strong arguments while avoiding logical fallacies. Participants will enhance their skills in public speaking and persuasive communication, and learn to identify logical missteps. Ideal for professionals looking to influence decisions and improve team communication.

Target Audience:

- Business professionals, managers, and team leaders
- Sales and marketing professionals
- Public speakers, advocates, and influencers
- Educators and trainers
- Lawyers, debaters, and negotiators

Targeted Organizational Departments:

- Sales and Marketing
- Leadership and Management Teams
- Legal and Compliance Departments
- Human Resources and Talent Development
- Customer Relations and Conflict Resolution Teams

Targeted Industries:

- Corporate and business services
- Education and training institutions
- Legal and advocacy sectors
- Media and communication industries
- Public relations and advertising

Course Offerings:

By the end of this course, participants will be able to:

- Master logical reasoning and critical thinking techniques.

- Recognize and avoid common logical fallacies.
- Build and deliver persuasive arguments with clarity and precision.
- Employ rhetorical strategies to influence decisions effectively.
- Handle debates and negotiations with confidence and professionalism.
- Identify fallacies in everyday arguments to strengthen discussions.
- Develop ethical argumentation techniques for workplace success.

Training Methodology:

This course utilizes a range of interactive and practical training methods to ensure an engaging learning experience. Participants will engage in case studies to analyze real-world argumentation examples, group discussions to practice debate techniques, and role-playing exercises to refine public speaking and negotiation skills. The program also includes workshops on identifying logical fallacies, feedback sessions for personal improvement, and practical applications of rhetorical and emotional persuasion strategies in everyday scenarios.

Course Toolbox:

Participants will receive:

- A course ebook
- Templates for building persuasive arguments and presentations
- A checklist for identifying and avoiding fallacies during debates
- Access to online resources, including sample debates and expert analyses

Course Agenda:

- **Topic 6:** Practical Exercises: Winning Arguments with Confidence
- **Reflection & Review:** Final Review and Takeaways

FAQ:

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

Specific qualifications or prerequisites are not required for participants. However, having a basic understanding of communication or persuasion concepts may enhance engagement and comprehension during the course.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session is structured to last approximately 5-6 hours, including breaks and interactive activities. The total course duration is 5 days, amounting to 25-30 hours of training.

- **How does this course help participants avoid common logical fallacies?**

This course provides dedicated workshops, real-life examples, and group exercises to help participants identify and overcome logical fallacies, such as *ad hominem*, *false dilemmas*, and *circular reasoning*. Practical tips and tools ensure participants develop critical thinking skills to avoid these pitfalls in future discussions.

How This Course is Different from Other Persuasion Training Programs:

This course is unique because it combines practical insights with interactive, hands-on learning methods. Unlike traditional programs, it focuses on identifying and countering logical fallacies, which helps participants develop ethical and persuasive arguments. The program also includes personalized feedback, real-world applications, and advanced rhetorical strategies, ensuring that participants gain actionable skills to excel in persuasion and argumentation.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
