Mastering Branding & Promotion Strategy Training Course

Ref.: 36359_26686 **Date:** 10 - 14 Feb 2026 **Location:** Amsterdam **Fees:** 5700 **Euro**

Course Overview:

The course is designed to equip professionals with essential skills in branding strategy and brand management. In today's competitive landscape, understanding customer-based brand equity, brand positioning, and brand identity is crucial for building a strong market presence. This course covers key aspects such as brand elements, brand awareness, and brand image, providing a comprehensive foundation for participants. With an emphasis on building brand equity through effective brand marketing programs, attendees will learn to assess brand performance and foster brand loyalty. The program integrates integrated marketing communications and a robust marketing communications strategy to enhance the brand value chain. Participants will also explore brand architecture and brand extension strategies, allowing them to implement effective brand equity measurement techniques and conduct brand audits. This training is ideal for individuals looking to navigate the challenges of digital branding, brand differentiation, and emotional branding, ultimately leading to successful branding case studies and revitalization strategies.

Target Audience:

- Marketing Managers
- Brand Managers
- Product Development Teams
- Communication Specialists
- Digital Marketing Professionals
- Corporate Executives
- Small Business Owners

Targeted Organizational Departments:

- Marketing and Communications
- Product Development
- Sales and Customer Service
- Brand Management
- Digital Marketing
- Corporate Strategy

Targeted Industries:

- Retail and Consumer Goods
- Technology and Digital Services
- Healthcare and Pharmaceuticals
- Entertainment and Media
- Automotive
- Nonprofits and NGOs

Course Offerings:

By the end of this course, participants will be able to:

- Develop effective branding strategies tailored to their organization.
- Conduct comprehensive brand audits to assess brand equity.
- Implement integrated marketing communications that enhance brand visibility.
- Design and execute brand extension strategies to build brand loyalty.
- Measure and analyze brand performance using established metrics.

Training Methodology:

The training methodology for the course includes a blend of learning approaches. Participants will engage in case studies that provide real-world insights into successful branding strategies and challenges. Group work will foster collaboration and allow for the exchange of ideas regarding emotional branding and brand community building. Interactive sessions will enable participants to practice brand differentiation techniques and storytelling methods. Feedback sessions will focus on applying branding concepts, ensuring participants can translate theory into actionable strategies. This comprehensive approach will help attendees build a robust brand equity management system that supports ongoing brand revitalization.

Course Toolbox:

- ebooks and training manuals
- Access to online resources and articles on branding
- Templates for brand audits and marketing strategies
- Case studies from successful branding initiatives
- Checklists for integrated marketing communications
- Digital tools for brand performance measurement

- **Topic 6:** Global Branding Challenges: Navigating International Markets
- **Reflection & Review:** Final Thoughts on Measuring and Sustaining Brand Equity

How This Course is Different from Other Branding Courses:

The course stands out due to its complete approach to branding that combines theoretical knowledge with practical applications. Unlike other courses, it emphasizes building customer-based brand equity and brand loyalty while integrating the latest trends in digital branding. Participants will benefit from engaging case studies that highlight successful branding strategies and learn to navigate branding challenges in a globalized market. The course's unique focus on brand community building and emotional branding further enriches the learning experience, equipping attendees with the methods necessary to create compelling brand stories and maintain brand consistency.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
