Strategic Supplier Relationship Management: Building Partnerships for Success

Ref.: 36367_27232 **Date:** 17 - 21 Mar 2026 **Location:** Dubai - Marriott Hotel Al Jaddaf, Dubai
Fees: 4500 **Euro**

Course Overview:

The Accounts Receivable and Credit Policies Management Training Course is designed to empower finance and credit professionals with advanced knowledge and strategies to optimize accounts receivable processes, manage credit risks, and strengthen financial performance. This course integrates the principles of supplier relationship management and the latest supplier collaboration strategies to enhance the efficiency and reliability of accounts receivable systems. Participants will explore strategic supplier partnerships, learn about supplier segmentation methods, and develop skills for supplier evaluation processes to maintain a competitive edge. By emphasizing cost efficiency in supplier relationship management, supplier performance metrics, and operational excellence, this training ensures participants can align financial policies with strategic business goals. Key areas include managing supplier innovation partnerships, optimizing supplier communication best practices, and leveraging data-driven supplier decisions for enhanced credit policy management. This comprehensive course bridges financial expertise with operational strategies, offering tools to navigate dynamic markets effectively.

Target Audience:

- Finance Managers
- Credit Analysts
- Accounts Receivable Specialists
- Financial Controllers
- Procurement Officers
- Business Operations Managers

Targeted Organizational Departments:

- Finance and Accounting
- Procurement and Supply Chain
- Risk Management
- Credit Control and Collections
- Business Strategy and Operations

Targeted Industries:

- Manufacturing
- Retail and E-commerce
- Logistics and Supply Chain
- Financial Services
- Healthcare
- Technology

Course Offerings:

By the end of this course, participants will be able to:

- Apply supplier relationship management best practices to accounts receivable processes.
- Develop and implement supplier evaluation processes for credit management.
- Design credit policies that foster supplier trust and minimize risks.
- Utilize data-driven supplier decisions to enhance financial performance.
- Establish strategic supplier partnerships to improve cash flow.

Training Methodology:

The course employs interactive methodologies, including real-world case studies, group discussions, role-playing, and hands-on exercises. Sessions focus on integrating supplier segmentation methods with accounts receivable frameworks and using supplier performance metrics to build robust financial systems. Participants will engage in data-driven analysis and simulations, ensuring the practical application of concepts.

Course Toolbox:

- Comprehensive ebooks
- Access to supplier evaluation templates
- Online resources for supplier relationship management practices
- Checklists for implementing supplier communication best practices

Course Agenda:

Day 1: Foundations of Supplier Relationship Management

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
