Strategic Investor Relations & Business Planning Mastery Training Course (1 Week)

Ref: 54_37232 **Date:** 7 – 11 June 2027 **Location:** Istanbul **Fees:** 4500 Euro

Course Overview:

The Strategic Investor Relations & Business Planning Mastery: From Communication to Execution course is designed to provide professionals with a dual-focused approach to mastering investor relations IR and strategic business planning. In today's dynamic corporate environment, transparency, effective communication, and strong strategic execution are vital for success.

Participants will gain in-depth knowledge of IR functions, best practices for governance, financial transparency, and corporate communication strategies. Additionally, the course will delve into business strategy execution, competitive positioning, leadership, and innovation. The training includes real-world case studies, interactive simulations, and hands-on exercises to ensure that learners not only understand theoretical concepts but also apply them effectively in their professional roles.

By the end of this program, participants will be equipped with actionable insights to strengthen their organization's investor relations and corporate strategy while ensuring compliance with global best practices.

Target Audience:

- Investor Relations Managers
- Corporate Communications Directors
- Public Relations Professionals
- Financial Analysts & Senior Executives
- CEOs, Directors & Senior Managers
- Business Analysts & Entrepreneurs
- HR & Business Development Professionals
