## **FAQ:**

## **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

Participants should be in mid- to senior-level roles within healthcare organisations. A background in management, clinical leadership, or strategic planning is recommended.

## **How long is each day's session, and is there a total number of hours required for the entire course?**

Each session runs approximately 4–5 hours daily. The total instruction time is 20–25 hours over five days.

## **How does the Balanced Scorecard improve hospital performance?**

By structuring performance metrics across financial, clinical, internal process, and learning domains, the BSC ensures a balanced and aligned hospital strategy. It links long-term vision to short-term actions while enabling data-driven performance reviews.

## **How This Course is Different from Other Strategic Planning Courses:**

This strategy course, is editorially focused for the healthcare sector, distinguishing it from traditional business strategy programs. It utilises key tools from Kaplan & Norton's Balanced Scorecard, Porter's Value-Based Health Care principles, and Hitt's strategic management frameworks. Highlighting:

- Health-specific KPI development with Bergeron templates
- Customised strategy maps customised for hospitals
- Real-life International case studies from Mark Britnell
- Focus on execution and governance challenges in healthcare

Participants will gain not only from the gainable knowledge and practical artefacts, with implementation roadmaps ready for immediate use in hospital settings.

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
