## **FAQ:**

### **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

No formal prerequisites are required. However, prior experience in HR, recruitment, or organizational development is beneficial.

### **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session is generally structured to last around 4-5 hours, with breaks and interactive activities included. The total course duration spans five days, approximately 20-25 hours of instruction.

### **How do we balance candidate experience with automated recruitment tools without losing the human touch?**

This is addressed through frameworks and practices that ensure tech-supported but people-centered hiring strategies.

### **How This Course is Different from Other Talent Acquisition and Onboarding Courses:**

"Mastering Talent Acquisition & Onboarding for Strategic HR Success" stands out by deeply integrating practical application with strategic thinking. Unlike many courses that treat recruitment and onboarding as administrative tasks, this course transforms them into strategic HR levers. It incorporates AI-powered tools, DEI-focused practices, and employer branding audits. Participants engage with digital systems, predictive hiring analytics, and onboarding frameworks to design future-ready hiring journeys. With real case studies, practical toolkits, and hands-on strategy development, it bridges policy, practice, and performance with a forward-thinking and compliance-conscious perspective. Tools are presented conceptually to guide the application rather than being supplied directly.
