Mastering Food Safety: A Comprehensive Quality and Management Training

Ref.: 30078_39520 **Date:** 25 - 29 Aug 2026 **Location:** Kuala Lumpur **Fees:** 5200 **Euro**

Food Safety and Quality Assurance Training Overview:

Welcome to 'Food Safety and Quality Assurance Training' - an innovative safety course designed to ensure the food industry maintains the highest standards of hygiene and safety. This course combines a robust food safety program with a focus on quality assurance, creating a comprehensive learning experience. We emphasize the importance of safety and health programs, preparing attendees to implement effective measures in their organizations. Participants will understand what is the training for food safety, and why food safety training is important, gaining insights into various health and safety courses.

Target Audience:

- Food safety inspectors: Get hands-on experience with compliance measures and inspection methodologies.
- Quality assurance managers: Learn to implement effective safety and health programs to maintain high standards of food safety.
- Food safety auditors: Understand the intricacies of food safety audit programs to ensure organizational compliance.
- Restaurant managers: Enhance your knowledge of food safety compliance training to maintain a safe, hygienic environment for your customers.
- Related roles: Anyone involved in maintaining food safety standards in an organization can benefit from this course.

Targeted Organizational Departments:

- Quality Assurance: Improve your department's capacity to maintain and enhance food safety standards.
- Production: Implement effective safety measures to ensure the production of safe, high-quality food.
- Food Safety: Equip your team with the knowledge to lead food safety initiatives and compliance measures in your organization.

Targeted Industries:

- Food production: Ensure safety and hygiene at every step of your production process.
- Restaurant and catering services: Maintain the highest safety standards for your customers' health.
- Grocery retail: Understand and implement measures to ensure food sold at your premises is safe and of the highest quality.
- Food distribution: Ensure food safety during storage and transportation, reducing the risk of foodborne illnesses.

Course Offerings:

- In-depth understanding of food safety: Grasp the importance and fundamentals of food safety and hygiene.
- Compliance Training: Understand the legalities and measures to ensure compliance with food safety regulations.
- Risk Assessment: Learn to conduct effective risk assessments to identify and mitigate potential hazards in food production and handling.
- Safety Certification: Prepare for and achieve food safety certification, validating your expertise and commitment to food safety.

Training Methodology:

Our training methodology combines interactive lectures with case studies and group work to provide a comprehensive learning experience. We ensure participants understand what is food safety training and can effectively implement a food safety program. Our approach emphasizes why food safety training is important, reinforcing its role in successful food businesses.

Course Toolbox:

- Digital Workbooks: Comprehensive guides and notes on each topic covered in the course.
- Online Resources: Access to a wide array of online resources, such as research papers, articles, and regulatory websites.
- Checklists: Handy checklists to ensure you've covered all bases when implementing food safety measures.
- Templates: Ready-to-use templates to help document food safety procedures, risk assessments, and audit findings.
- Software Introduction: An introduction to industry-standard software used for managing a food safety program and conducting food safety audits.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
