# ISO 26000 Social Responsibility Certification Training Course: Master Sustainable Business

**Ref.:** 103600284\_45591 **Date:** 27 - 31 Jul 2026 **Location:** Langkawi **Fees:** 6000 **Euro**

## Course Overview

This course equips professionals with the knowledge and skills to integrate social responsibility strategies into their organizations. Participants will gain an understanding of ISO 26000 guidelines, focusing on corporate social responsibility CSR, ethical leadership, and sustainability compliance.

They will acquire practical insights into sustainability leadership and social responsibility management, enabling them to enhance sustainable business practices. By mastering these principles, attendees will be better prepared to contribute to ESG initiatives, achieve social governance certification, and fulfil ISO 26000 compliance training.

## Target Audience

- Business leaders & executives responsible for corporate sustainability
- CSR managers & sustainability officers
- ISO 26000 lead auditors and compliance professionals
- HR & training managers
- Legal & risk professionals
- Consultants & advisors specializing in sustainable development

## Targeted Organizational Departments

- Corporate Social Responsibility CSR teams
- Sustainability & ESG management
- Compliance & risk management
- Human Resources & training divisions
- Operations & supply chain management
- Legal & corporate governance

## Targeted Industries

- Manufacturing & supply chain
- Finance & banking
- Retail & consumer goods
- Healthcare & pharmaceuticals
- Technology & IT services
- Energy & environmental sectors

## Course Offerings

By the end of this course, participants will be able to:

- Understand ISO 26000 guidelines and their application in corporate settings
- Develop and implement sustainable business practices
- Conduct social responsibility assessments and audits
- Build an effective CSR strategy aligned with ISO 26000 compliance training
- Improve stakeholder engagement and corporate citizenship initiatives
- Integrate ISO 26000 social responsibility principles into governance structures
- Gain 2 Certification from Agile Leaders & BECB

## Training Methodology

- Case studies based on real-world applications of ISO 26000
- Group discussions & role-playing to enhance stakeholder engagement
- Self-paced learning & online resources for ISO 26000
- Mock assessments to prepare for the ISO 26000 lead auditor training certification exam

## Course Toolbox

- A detailed course ebook with ISO 26000 compliance guidelines
- Access to CSR and sustainability templates
- A collection of industry case studies on ISO 26000 implementation
- Online resources for continued learning

## FAQ

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

This course is designed for professionals with an interest in ISO 26000 certification and sustainable business practices. No prior certification is required, but a background in CSR, sustainability, or corporate governance is recommended.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each session lasts approximately 4-5 hours, with interactive exercises and discussions. The full course spans five days, totaling 20-25 hours.

- **What are the benefits of ISO 26000 certification for organizations?**

ISO 26000 certification helps companies:

- Align with sustainable business goals
- Enhance corporate reputation and build trust
- Meet CSR and ESG compliance requirements
- Improve stakeholder engagement and governance

## **How This Course is Different from Other ISO 26000 Courses**

This course differs from traditional ISO 26000 training by using real-world case studies, interactive exercises, and expert guidance to help participants apply the ISO 26000 social responsibility framework. It emphasizes corporate sustainability, stakeholder engagement, and ethical leadership, providing practical methods and strategies for achieving social impact and compliance success.
