ITIL 4 Drive Stakeholder Value : Engage, Co-Create, and Optimize IT Services Training Course

Ref: 103600322_55573 **Date:** 18 – 22 October 2027 **Location:** London **Fees:** 5700 Euro

Course Overview:

ITIL 4 Drive Stakeholder Value: Engage, Co-Create, and Optimize IT Services is a specialized training program designed to help IT professionals master the art of stakeholder engagement within IT service management. This course focuses on the ITIL 4 framework's Drive Stakeholder Value DSV module, equipping participants with the skills to map customer journeys, optimize service offerings, and enhance business relationships. Through real-world case studies and interactive sessions, learners will gain hands-on experience in ITIL service value co-creation, customer journey mapping, and IT governance strategies. This course is ideal for professionals looking to advance their ITIL training and certification while strengthening IT service relationship management. Participants will explore key ITIL principles such as ITIL business relationship management, ITIL value co-creation strategy, and ITIL 4 service value optimization, ensuring their organizations achieve long-term success.

Target Audience:

- IT service managers
- ITIL 4 Managing Professional candidates
- IT consultants and analysts
- Service desk managers
- IT governance professionals
- Business relationship managers

Targeted Organizational Departments:

- IT Service Management ITSM
- Business Relationship Management BRM
- IT Governance & Compliance
- Digital Transformation Teams
- Customer Experience & Support Teams

Targeted Industries:

- IT & Technology
- Banking & Finance
- Healthcare & Pharmaceuticals
- Government & Public Sector
- Retail & E-commerce
- Telecommunications

FAQ:

What specific qualifications or prerequisites are needed for participants before enrolling in the course?

No prior ITIL certification is required, but familiarity with IT service management concepts is beneficial.

How long is each day's session, and is there a total number of hours required for the entire course?

Each day's session lasts approximately 4-5 hours, totaling 20-25 hours across one week.

What makes ITIL 4 Drive Stakeholder Value critical for IT professionals?

ITIL 4 DSV helps IT professionals align IT services with business needs, improve stakeholder engagement, and drive service value realization effectively.

How This Course is Different from Other ITIL 4 Drive Stakeholder Value Courses:

Unlike generic ITIL 4 courses, this program focuses exclusively on stakeholder engagement, value co-creation, and service optimization. The course integrates hands-on activities, real-world case studies, and expert-led sessions to ensure participants not only understand ITIL 4 concepts but can apply them effectively in their organizations. This training offers an in-depth approach to ITIL stakeholder management training, digital transformation strategies, and IT service management best practices, equipping participants with skills that directly impact business success. By focusing on practical application and certification readiness, this course ensures participants gain a competitive edge in ITIL 4 service management.
