FAQ:

What specific qualifications or prerequisites are needed for participants before enrolling in the course?

No formal prerequisites are required. However, it is beneficial for participants to have some experience in business, IT service management, or relationship-based roles. Exposure to ITIL or service frameworks is helpful but not mandatory.

How long is each day's session, and is there a total number of hours required for the entire course?

Each day's session is generally structured to last around 4-5 hours, with breaks and interactive activities included. The total course duration spans five days, approximately 20-25 hours of instruction.

Is the BRMP exam included in this course?

While this course prepares participants for the APMG BRMP exam with full coverage of the BRMI syllabus and practice materials, the official certification exam must be scheduled and purchased separately through an APMG-accredited exam body.

How This Course is Different from Other BRMP® Exam Prep Courses:

Unlike generic BRMP® online training, this course integrates strategic BRM competencies, real-world case studies, and insights from ISO/IEC 20000, ITIL, and the BRMI Body of Knowledge. It focuses on business value realization, not just terminology memorization.

You'll receive instructor guidance from certified BRMs with extensive industry experience and use performance-based learning backed by BRMP practice exam questions, roadmaps, and assessment rubrics aligned with real exam expectations. Whether you're preparing for a leadership role or certification, this course ensures you're equipped with the strategic relationship management capabilities that modern organizations demand.
