Ref.: 36071_5806 **Date:** 27 - 31 Jan 2026 **Location:** Tokyo **Fees:** 10000 **Euro**

Marketing Management Course Overview:

Dive into the world of "Marketing Management", a cutting-edge marketing course designed for the modern marketing professional. This marketing management course combines insights into marketing & sales strategy, data analytics, branding, and customer relationship management. With a comprehensive view of marketing sales techniques, it provides a unique opportunity for marketing professionals to enhance their skills and achieve a certified marketing professional level of expertise.

Target Audience:

- Sales Managers
- Marketing Managers
- Business Development Executives
- Brand Managers
- Product Managers
- Any individuals interested in acquiring a marketing professional certificate will benefit from this training on marketing.

Targeted Organizational Departments:

- Marketing
- Sales
- Business Development
- Customer Relations
- Brand Management

These departments can enrich their strategies with the principles taught in this marketing management course.

Targeted Industries:

- Retail
- E-commerce
- Advertising Agencies
- Manufacturing
- Any business that uses or is considering implementing sales and marketing courses in its strategies.

Course Offerings:

Participants will be able to:

- Understand the role and function of marketing in modern businesses
- Develop comprehensive marketing strategies
- Use data to inform marketing decisions
- Build strong brand equity
- Foster customer loyalty
- Understand global marketing dynamics
- Manage a holistic marketing organization for long-term success

Training Methodology:

Our training methodology is designed to offer a balanced mix of theory and practical understanding. Participants engage with course materials through case studies, group work, and interactive sessions that offer real-world context to marketing sales concepts. Each session concludes with a reflection & review session, encouraging participants to consolidate their learnings and receive feedback from experts.

Course Toolbox:

Participants will be provided with:

- A comprehensive course workbook
- Case study materials
- Access to a suite of digital marketing tools
- Templates and checklists for developing marketing strategies
- Reading materials for further learning

- Topic 3: Managing a Holistic Marketing Organization for the Long Run: Gain insights into managing your marketing organization for long-term success.
- Reflection & Review: Reflect on the key takeaways from the course marketing strategies for long-term growth and review key points.

How This Course is Different from Other Marketing Courses:

The 'Marketing Management' course is unique in its comprehensive coverage of the modern marketing landscape. Unlike other marketing courses, it provides a deep understanding of both marketing & sales, emphasizing the synergy between these functions. Aspiring professionals seeking a marketing professional certificate will benefit from the course's focus on real-world applications, informed by the latest trends and data. Our marketing management course is hands-on, featuring interactive sessions, and feedback sessions to ensure a thorough understanding and application of the concepts. The 'Marketing Management' course is a golden ticket to becoming a certified marketing professional, setting it apart in the crowded field of marketing courses.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
