## FAQ

## **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

No formal prerequisites are required. However, a background in management, communication, or public-facing roles is beneficial.

## **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session runs for 4-5 hours, totaling 20-25 hours of intensive training across 5 days.

## **What if my stakeholders have conflicting interests and resist engagement?**

This course dedicates full modules to managing conflicting interests, resolving resistance, and practicing techniques to build influence without authority.

## **How This Course is Different from Other Stakeholder Courses**

Unlike standard project stakeholder courses, this program integrates adaptive leadership, long-term engagement planning, and trust-building into every phase. You'll not only learn how to engage stakeholders — you'll also develop the leadership mindset to influence them in complex environments. Our simulations, tools, and facilitator expertise are grounded in real-world challenges across industries.
