How This Course is Different from Other Primavera P6 Professional Project Management Training Courses:

This course stands out for its unique integration of project management fundamentals, agile project management training, and software project management with the use of Primavera P6. Unlike other training courses, we focus on comprehensive and practical knowledge acquisition that combines theoretical project management principles with hands-on Primavera P6 training. The course is uniquely structured to not just deliver information, but to ensure that by the end, participants are proficient in using Primavera P6 for project management, project planning, and managing project teams.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
