How This Course is Different from Other Agile 101 training courses:

"Agile 101: The Agility Mindset" stands apart as it emphasizes on instilling an agile mindset, rather than just familiarizing participants with agile terminology and practices. Our course offerings include comprehensive mindset training, agile coaching, and negotiation skills training under a certified agile leadership program. We focus on agile transformation strategy and communication strategies that can be applied directly to workplace scenarios. You'll leave with not just an agile certification, but the capability to drive agile transformation within your organization.
