Ref.: 36192_75656 **Date:** 09 - 20 Nov 2026 **Location:** Abu Dhabi **Fees:** 8500 **Euro**

Behavioral Competencies Development for Social Service Professionals 2 week Overview:

This specialized training program is meticulously designed to enhance the behavioral competencies of individuals working in the social service sector. Aimed at equipping participants with essential skills for providing effective and impactful support to clients and communities, the course covers a broad range of topics from understanding behavioral competencies to developing effective communication and problem-solving abilities. By the end of this program, participants will have a profound understanding of how behavioral competencies play a crucial role in job analysis and performance evaluation, enabling them to identify competency gaps and develop strategic interventions.

Target Audience:

- Social service employees and program managers.
- Mental health and social rehabilitation professionals.
- Individuals keen on improving their behavioral and interactive skills.

Targeted Organizational Departments:

- Social Service departments in institutions and organizations.
- Mental Health and Social Care departments.
- Educational and training departments specializing in social work.

Targeted Industries:

- Governmental and private entities in the social service sector.
- Healthcare and mental health organizations.
- Charitable organizations and non-profits.

Course Offerings:

- Enhanced understanding of behavioral competencies and their importance in social service.
- Development of effective communication and listening skills.
- Improved problem-solving and decision-making abilities.
- Enhanced interaction skills with special groups and targeted support provision.
- Ability to assess performance and sustainably develop competencies.

Training Methodology:

The course adopts a blend of theoretical lectures and practical applications, utilizing case studies and real-world examples to ensure an interactive learning environment. Through group discussions, feedback sessions, and hands-on activities, participants will engage in a comprehensive learning experience that fosters practical application of knowledge in their real-life work settings.

Course Toolbox:

- Theoretical lectures and presentations.
- Group discussions and workshop sessions.
- Case studies and practical exercises.
- Training materials and assessment tools.
- Interactive activities and practical applications.
