**Ref.:** 36106\_8378 **Date:** 22 - 26 Jun 2025 **Location:** Doha **Fees:** 5500 **Euro**

## Community Planning and Sustainability Training Overview:

This comprehensive course on 'Community Planning and Sustainability Training' is designed to equip participants with the essential knowledge and skills to foster community development and sustainable practices. This program is not merely a community management course; it is a comprehensive training on sustainability that encapsulates environmental sustainability training, sustainability strategy training, and sustainability leadership course content. Our sustainability training programs will guide you on creating a robust sustainability strategy and implementing it in your community planning process. This community planning and sustainability training is a unique amalgamation of theoretical knowledge and practical skills to create sustainable and thriving communities.

## Target Audience:

- Community Development Officers
- Urban Planners
- Sustainability Officers
- Environmental Consultants

## Targeted Organizational Departments:

- Community Development
- Urban Planning
- Environmental Sustainability
- Corporate Social Responsibility CSR

## Targeted Industries:

- Urban Development
- Real Estate
- Public Administration
- Environmental Consultancy
- Non-profit organizations focusing on community development

## Course Offerings:

By the end of this community management training, participants will be able to:

- Design and implement effective community planning and management strategies.
- Develop and execute sustainability training plans.
- Apply sustainable practices in community development.
- Understand what sustainability training is and how it can be effectively implemented.
- Lead sustainability initiatives and programs in their communities.

## Training Methodology:

This community management and sustainability course will use a mix of theoretical learning, case studies, and group work to ensure a comprehensive understanding of the topics. Participants will engage in interactive sessions that simulate real-life scenarios and will receive feedback on their performance, allowing them to refine their skills further. In addition to the environmental sustainability training, there will be a special focus on training for sustainability leadership to cultivate future leaders in sustainability.

## Course Toolbox:

This course includes:

- Detailed workbook
- Online resources
- Checklists for community planning and sustainability training
- Sustainability strategy templates
- Environmental impact calculators

## **Course Agenda:**

### **Day 1: Comprehensive Planning Process and Sustainability**

- Topic 1: Introduction to Comprehensive Planning Process: Key Components and Stages

- Workshop: Planning for Natural Hazards and Community Safety: A Sustainable Approach
- Panel Discussion: Planning Ethics and Values in the Context of Sustainable Planning
- Reflection & Review: Embracing Sustainability: Becoming a Planner or Planning Commission Member
- Closing Remarks: The Future of Sustainable Planning

## **How This Course is Different from Other Community Planning and Sustainability Courses:**

Our 'Community Planning and Sustainability Training' is a unique blend of theory and practice that sets it apart from other community management courses. This course goes beyond basic sustainability training to offer extensive training on sustainability leadership. Participants will not only learn the theoretical aspects of community planning and environmental sustainability, but they will also receive hands-on experience in developing and implementing a sustainability strategy. This makes our course a comprehensive solution for all your community planning and sustainability training needs.

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
