**Ref.:** 36157\_9201 **Date:** 21 - 25 Dec 2026 **Location:** Dubai - Marriott Hotel Al Jaddaf, Dubai  
**Fees:** 4500 **Euro**

## Business Process Reengineering BPR and Change Management Overview:

In the ever-evolving corporate world, the 'Business Process Reengineering BPR and Change Management' course integrates the principles of business process reengineering training and the essentials of a change management training course. We delve deep into strategies, ensuring participants not only grasp the fundamentals of BPR training but also the nuances of the best change management training available. Designed with the modern executive in mind, this course is an amalgamation of theory and practice, providing hands-on experience in business process reengineering and change management scenarios for training.

## Target Audience:

- Project Managers eager to undertake business process reengineering course
- HR Professionals looking for change management certification course
- Operations Managers exploring BPR course techniques
- Change Agents wanting to enhance their change management training skills

## Targeted Organizational Departments:

- Operations: Streamline with business process reengineering training
- Human Resources: Master the art of change management training plan
- IT: Implement systems supporting BPR training and change management

## Targeted Industries:

- Manufacturing: Improve operational efficiency with business process reengineering course
- IT & Tech: Master change management scenarios for training
- Healthcare: Integrate BPR training for better patient outcomes

## **Course Offerings:**

- Comprehensive understanding of business process reengineering training
- Mastery in designing a change management training plan
- Scenario-driven learning with change management scenarios for training
- Techniques from the best change management training programs

## **Training Methodology:**

Using a blended learning approach, our business process reengineering course employs real-life case studies, hands-on group work, and in-depth change management training sessions. Interactive sessions ensure participants actively engage in BPR training, while feedback sessions allow for continuous improvement. All sessions are structured around change management training plan principles, ensuring a comprehensive learning experience.

## **Course Toolbox:**

- Business process reengineering training workbook
- Change Management templates inspired by best change management training
- Software tools for BPR training
- Change management scenarios for training case study booklets

## **Course Agenda:**
