Financial Statement Analysis: Sheet Breakdown & Advanced Accounts Payable Techniques (5 Days)

Financial Statement Analysis: Sheet Breakdown & Advanced Accounts Payable Techniques (5 Days)

Course Overview:

The course is meticulously designed to provide participants with extensive knowledge of financial planning and analysis. This course covers the essentials of the accounting equation, bookkeeping, and financial statement analysis. It breaks down balance sheet items, teaches the preparation of income statements, cash flow statements, and differentiates between depreciation and amortization. The course aims to enhance participants' skills in financial analysis, planning, and control, enabling them to contribute effectively to their organization's financial health.

Target Audience:

- Accountants
- Financial Analysts
- Finance Managers
- Heads of Financial Planning and Analysis

Targeted Organizational Departments:

- Finance
- Accounts
- Planning
- Budgeting
- Control Departments

Targeted Industries:

- Banking
- Investment Firms
- Insurance
- Retail
- Manufacturing

Course Offerings:

By the end of the course, Participants will be able to:

- Understand the main accounting equation and principles.
- Prepare main financial statements including income statement, balance sheet, and cash flow statement.
- Analyse financial statements using the financial statement analysis framework.
- Understand the difference between financial accounting and management accounting.
- Apply financial planning and analysis techniques to real-world business scenarios.
- Gain in-depth knowledge of accounts payable processes and their significance in financial statements.

Training Methodology:

The course employs various training methodologies, including case studies for real-world scenario analysis, interactive sessions for practical application of accounting principles, group work for peer learning, and feedback sessions for continuous improvement. By the end of the course, participants will have a complete understanding of financial accounting and analysis, supported by practical experience and critical analytical skills.

Course Toolbox:

- Course handbook detailing the accounting cycle, financial planning and analysis process, and financial statement analysis techniques.
- Financial statement templates for income statement, balance sheet, and cash flow statement.
- Case studies for practical application.
- Online resources for continued learning and up-to-date accounting practices.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
