# Councils and Committees Operations Specialists Training Course

## Course Overview:

This advanced training course highlights the crucial role that operations specialists play in boards and committees. Participants will gain a thorough understanding of the rules and procedures for managing boards and committees, including preparing minutes and agendas, and handling legal documents and their associated responsibilities. The training also covers how to manage meetings and make sound decisions, with an emphasis on transparency, disclosure, and governance of conflict of interests. The course aims to enhance participants' skills in dealing with risks and legal responsibilities, ensuring tasks are carried out efficiently and effectively.

## Target Audience:

- Board and committee members
- Executive directors
- Operations specialists in boards and committees
- Governance and compliance officers
- Senior and middle management
- Individuals interested in developing their skills in managing meetings and committees

## Targeted Organizational Departments:

- Public Relations
- Executive Management
- Marketing and Communications
- Human Resources
- International Affairs

## Targeted Industries:

- Government institutions
- Multinational companies
- Non-profit sector
- Academic institutions

## Course Offerings:

By the end of this course, participants will be able to:

- Understand the role of board and committee members and the importance of this role in corporate governance.
- Efficiently and professionally prepare minutes and agendas.
- Apply best practices in managing meetings and committees and making informed decisions.
- Handle legal documents and maintain transparency and disclosure.
- Assess risks and legal responsibilities associated with board and committee members.
- Enhance their skills in dealing with board members and major shareholders.
- Implement principles of conflict of interest governance and effective organizational management.

## Training Methodology:

The course uses an interactive training methodology that includes case studies, group work, interactive sessions, and feedback sessions. Participants will apply the concepts learned in realistic scenarios, enhancing their understanding and ability to handle various challenges.

## Course Toolbox:

- Workbooks
- Training Resources
- Checklists and templates
- Body language analysis tools
