

# **Mastering Customer Satisfaction Measurement and Analysis Training Course**

# Mastering Customer Satisfaction Measurement and Analysis Training Course

## Course Overview:

The course equips participants with advanced skills in measuring, managing, and enhancing customer satisfaction in public service sectors. It covers customer satisfaction measurement, service quality evaluation, and customer feedback management. The course also includes methods like customer journey mapping, satisfaction surveys, and customer insight techniques. Participants will gain insights into customer perceptions, expectations, and the SERVQUAL model, enabling them to effectively analyze customer satisfaction.

## Target Audience:

- Public Service Managers
- Customer Service Directors
- Quality Assurance Officers
- Customer Insight Analysts
- Operations Managers
- Marketing Executives
- Government Officials

## Targeted Organizational Departments:

- Public Relations
- Quality Assurance
- Customer Support
- Marketing & Sales
- Operations

## Targeted Industries:

- Public Administration
- Healthcare Services
- Hospitality
- Telecommunications
- Retail and Consumer Services

## Course Offerings:

By the end of this course, participants will be able to:

- Measure customer satisfaction using various methods including satisfaction surveys, SERVQUAL, and feedback analysis.
- Implement strategies to manage customer satisfaction effectively in public services.
- Conduct customer journey mapping and improve public service satisfaction.
- Utilize customer segmentation analysis to better understand target markets.
- Apply mystery shopping techniques to assess service delivery performance.

## Training Methodology:

The course features interactive training with case studies, group discussions, and real-world applications. Participants engage in customer journey mapping, role-playing for satisfaction surveys, and service quality evaluations. The course also includes hands-on activities such as mystery shopping simulations and focus group insights. Through interactive feedback sessions, participants analyze customer satisfaction data and apply customer insight techniques to develop actionable strategies for improving public service satisfaction and organizational performance.

## Course Toolbox:

- ebooks covering customer satisfaction measurement and management strategies.
- Access to online resources on public sector service quality.
- Satisfaction survey templates.
- Case studies on managing customer feedback.
- Checklists for benchmarking service delivery performance.

## Course Agenda:

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
