

# **Change Management and Digital Transformation towards Humanizing Cities**

# **Change Management and Digital Transformation towards Humanizing Cities**

## **Course Overview:**

The course addresses the critical intersection of technological advancement and urban development. Designed to empower professionals with strategies to create sustainable, inclusive, and innovative urban environments, this course offers a blend of foundational principles and cutting-edge applications. Participants will explore leadership strategies, digital transformation techniques, and approaches to humanizing urban systems while addressing modern challenges like cybersecurity, workforce adaptation, and inclusivity. Through interactive workshops, case studies, and collaborative projects, this course equips participants to lead transformative initiatives that align technology with human values for thriving cities of the future.

## **Target Audience:**

- Urban Planners
- City Officials
- Leaders and Managers
- Technology and Innovation Specialists
- Academics and Researchers
- NGO and Community Leaders

## **Targeted Organizational Departments:**

- Urban Planning and Development
- Innovation and Technology
- Environmental Sustainability
- Public Policy and Governance
- Community and Social Development

## **Targeted Industries:**

- Urban Development and Planning
- Technology and Smart Cities
- Environmental Management
- Public Administration
- Non-Governmental Organizations

## Course Offerings:

By the end of this course, participants will be able to:

- Understand and apply change management principles to urban contexts
- Develop leadership and communication strategies for effective transformation
- Implement digital transformation techniques tailored to human-centric cities
- Design and evaluate urban systems prioritizing inclusivity and sustainability
- Overcome barriers in digital transformation to achieve smart city goals

## Training Methodology:

This course adopts an immersive and practical learning approach. Participants will engage in hands-on activities, including case studies, scenario-based exercises, and collaborative group projects. Interactive workshops will provide participants with opportunities to brainstorm and propose solutions to real-world urban challenges.

## Course Toolbox:

- Comprehensive course ebooks
- Case studies on successful urban transformation projects
- Online resources and reading materials
- Group project frameworks and evaluation rubrics

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
