FAQ

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

This course is designed for professionals with a basic understanding of conflict dynamics. Prior experience in community work or leadership roles is beneficial but not mandatory.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session lasts 4-5 hours, including breaks, with a total of 20-25 hours for the course.

- **What is Peacebuilding 4.0, and how does it differ from earlier models?**

Peacebuilding 4.0 focuses on leveraging innovative, next-generation strategies and technologies to address emerging conflicts, emphasizing proactive and community-driven approaches.

How This Course is Different from Other Peacebuilding Courses

This course offers a structured yet flexible framework that adapts to modern conflicts. It goes beyond generic programs by focusing on practical methods for identity-based conflict management and positive peace. Participants gain valuable theoretical insights and hands-on experience, allowing them to apply strategies in real-world scenarios. With next-generation peacebuilding techniques, the course is relevant for addressing both workplace disputes and community conflicts, equipping participants with the skills and confidence to drive transformative change.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
