FAQ

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

There are no strict prerequisites. This course is suitable for professionals at all levels looking to enhance their confident leadership techniques and assertive communication skills. Ideal participants include emerging leaders, managers, and experienced professionals seeking confidence-building training for managers.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session runs approximately 4-5 hours, with interactive exercises and breaks. The full Confident Leadership & Assertive Communication Skills Training Course spans 5 days, totaling approximately 20-25 hours.

- **How does this course help with overcoming the fear of public speaking?**

This course offers practical strategies from leadership public speaking workshops, teaching participants how to manage nerves in presentations, build confidence step-by-step, and leverage confident speaking techniques to speak with clarity and authority in any setting.

How This Course is Different from Other Confident Leadership & Assertive Communication Skills Training Courses

The course combines confident leadership training with tailored assertiveness training for leaders. It focuses on key areas such as public speaking, persuasive communication, and business storytelling, offering practical workshops that equip participants with effective speaking techniques for real-world situations.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
