

## **Cyber Security Governance: A Risk and Compliance Training Program**

# **Cyber Security Governance: A Risk and Compliance Training Program**

## **Overview:**

In an era where cybersecurity breaches pose threats to all aspects of business, the "Cyber Security Governance Principles Training Course" provides a comprehensive exploration of key cyber security governance principles. Our uniquely designed course combines the best cyber security training with an in-depth understanding of governance in cyber security. This training program fosters cyber security awareness and empowers participants to implement a robust cyber security governance framework, ensuring governance risk and compliance are adequately addressed. We emphasize cyber security principles and how to train employees in these vital aspects.

## **Target Audience:**

- IT Managers
- Risk Management Professionals
- Compliance Officers
- Business Continuity Managers
- Human Resource Managers
- Training and Development Managers

## **Targeted Organizational Departments:**

- Information Technology
- Risk and Compliance
- Human Resources
- Training and Development
- Business Operations

## Targeted Industries:

- Financial Services
- Healthcare
- Energy and Utilities
- Government Agencies
- Manufacturing

## Course Offerings:

Participants will:

- Understand the principles of cyber security
- Learn how to develop and implement a comprehensive cyber strategy
- Acquire skills to embed cyber security in existing risk management practices
- Develop techniques to promote a culture of cyber resilience
- Train to plan for significant cyber security incidents

## Training Methodology:

This cyber security training program employs an engaging mix of lectures, interactive sessions, case studies, and group work, ensuring that learners can apply the principles of cyber security in real-world scenarios. A key aspect of our training methodology includes feedback sessions that provide participants with the opportunity to review their understanding of the cyber security governance framework and principles.

## Course Toolbox:

- Cybersecurity Glossary
- Cybersecurity Risk Assessment Tools
- Regulatory Compliance Checklists
- Cybersecurity Framework Templates
- Case Study Materials
- Interactive Cybersecurity Incident Simulation Software
- Post-course Reading Materials

# WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

## OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

## OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

## WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
