## **FAQ**

### **What specific qualifications or prerequisites are needed for participants before enrolling in the course**

No specific qualifications are required. However, experience in HR or L&D roles will enhance understanding.

### **How long is each day's session, and is there a total number of hours required for the entire course**

Each day's session is generally structured to last around 4-5 hours, with breaks and interactive activities included. The total course duration spans five days, approximately 20-425 hours of instruction.

### **What is the biggest barrier to building a learning organization**

According to Advanced L&D Training content, the biggest barrier is organizational resistance to change, often due to deeply entrenched cultures and leadership mindsets.

### **How This Course is Different from Other L&D Strategy Courses**

Unlike standard L&D courses that focus solely on theory, Mastering L&D Strategy Training Course: Building Learning Organizations and Cultures integrates real-world applications and action plans. It covers learning and development, L&D strategy, and building a learning organization comprehensively, embedding skills such as training needs analysis, facilitation skills for HR, and training ROI measurement into every session. Participants also benefit from practical facilitation techniques workshops, the use of the Kirkpatrick model, and modern L&D metrics and KPIs. By connecting organizational learning strategies directly to performance improvement goals, this course ensures participants can create measurable, lasting impact within their organizations. It is a holistic, practical, and action-driven program tailored for today's HR leaders.
