## FAQ:

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

No prior certification is required, but a basic understanding of educational management principles or quality management systems is beneficial.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session lasts approximately 4-5 hours, totaling 20-25 hours of instruction over one week.

- **How does ISO 21001 benefit educational institutions compared to ISO 9001?**

While ISO 9001 focuses on general quality management systems, ISO 21001 is specifically tailored to educational institutions, emphasizing learner satisfaction, accessibility, and personalized education.

## How This Course is Different from Other ISO 21001 Courses:

This course differentiates itself from generic ISO 21001 certification training by providing hands-on learning, real-world case studies, and a structured implementation guide. Participants receive PECB ISO 21001 training materials and insights from experienced quality management professionals in education. We also offer extensive online resources, making the course accessible for both in-person and remote learners.
