Agile PR Practitioner: Public Relations Training Certification Course

Ref: 1018_1359 **Date:** 7 – 11 December 2026 **Location:** Vienna **Fees:** 5700 Euro

Overview:

'Agile PR Practitioner: Public Relations Training Certification Course' is a transformative learning opportunity aimed at aspiring PR professionals and seasoned practitioners alike. This training course, infused with agile methodology, provides an immersive experience in public relations strategy development, campaign planning, event management training, and influencer relations. You'll learn how to craft compelling PR strategy examples, write an effective campaign strategy, and manage SEO and digital marketing campaign strategies. This course transcends traditional public relations training by fostering an agile mindset, which is a valuable asset in today's dynamic PR landscape.

Target Audience:

- Public Relations Officers
- Public Relations Managers
- PR Professionals
- PR Practitioners
- Digital Marketing Specialists
- Individuals looking to boost their negotiation skills

These attendees will enhance their ability to strategize and implement effective PR campaigns, furthering their career milestones.

Targeted Organizational Departments:

- Public Relations
- Marketing
- Media Relations
- Digital Marketing
- Communications

These departments will benefit from the course's holistic approach to agile transformation in the public relations landscape, utilizing media relations tactics and an agile mindset to drive success.

Targeted Industries:

- Media and Entertainment
- Technology
- Healthcare
- Government and Public Sector
- Consumer Products and Retail
- Hospitality

These industries would gain significant advantages by incorporating agile transformation strategy and digital marketing campaign strategies into their PR framework.

Course Offerings:

Participants will be able to:

- Develop effective PR strategies
- Plan and execute SEO and digital marketing campaigns
- Understand the importance and application of influencer relations
- Apply agile methodologies in public relations
- Strengthen their negotiation skills
- Understand the role and responsibilities of a Public Relations Officer
- Drive agile transformation in their organization

Training Methodology:

This course uses a dynamic blend of methodologies to ensure an engaging and impactful learning experience. You'll engage with case studies to understand practical application of PR strategy examples and how to write a campaign strategy. Group work facilitates collaboration and the sharing of diverse perspectives on media relations tactics and agile transformation. Interactive sessions provide hands-on experience in SEO campaign strategy and event management training. Reflective feedback sessions give you the opportunity to analyze and improve upon your negotiation skills training and foster your agile mindset.

Course Toolbox:

Participants will be provided with:

- Comprehensive course workbook
- Agile methodology guide
- PR strategy templates
- Campaign strategy planning toolkit
- SEO and Digital marketing strategy checklist
- Influencer relations guidebook
- Negotiation skills training material

- Topic 2: Role of a Public Relations Officer: Understand the responsibilities of a public relations officer
- Topic 3: Career Advancement as a PR Professional: Guidance for continuing professional development in PR
- Reflection & Review: Reflect on the negotiation skills developed and discuss strategies for career advancement

How This Course is Different from Other Public Relations Training Courses:

'Agile PR Practitioner: Public Relations Training Certification Course' stands out due to its unique integration of Agile methodology with traditional PR practices. Rather than treating PR and Agile as separate disciplines, this course bridges the gap and fosters an Agile mindset among PR professionals. It dives deeper into how an Agile transformation can revolutionize your PR strategy, providing real-world PR strategy examples and in-depth training in event management, influencer relations, and negotiation skills. This is not just another training course; it's a transformational journey to becoming an Agile PR Practitioner.
