Advanced Agile Coaching Training Course: Elevating Your Coaching Skills (Advanced)

Ref.: 1016_242013 **Date:** 31 Mar - 04 Apr 2024 **Location:** Dubai - Residence Inn by Marriott Sheikh Zayed Road **Fees:** 3700 **Euro**

Course Overview:

The Agile Coaching Course Advanced is a comprehensive and immersive training program designed to equip participants with the skills and knowledge needed to excel as agile coaches in today's dynamic business environment. This course delves into advanced concepts and techniques that empower participants to effectively guide teams and organizations towards agile excellence. Through interactive sessions, case studies, and real-world examples, participants will gain a deep understanding of agile principles, communication strategies, and leadership coaching. They will learn how to navigate the challenges of agile implementation, address identity crises within teams, and foster a culture of continuous improvement. This course also covers agile certification and explores various agile project management approaches. By the end of this course, participants will have the tools and confidence to take their agile coaching skills to the next level.

Target Audience:

- Agile Coaches seeking to enhance their coaching and mentoring skills
- Project Managers and Scrum Masters transitioning to agile coaching roles
- Leaders and Managers responsible for agile transformation initiatives
- Professionals involved in agile project management and delivery

This course is designed to address specific skills gaps in agile coaching, including communication strategy, leadership coaching, and navigating agile identity crises. It is suitable for individuals at various stages of their careers, from beginner to experienced practitioners, who are eager to elevate their agile coaching capabilities.

Targeted Organizational Departments:

- Agile Transformation Teams
- Human Resources and Learning & Development
- Project Management Offices PMOs

Targeted Industries:

The Agile Coaching Course Advanced is beneficial for professionals across a wide range of industries that are embracing agile methodologies. Industries that would particularly gain from this course include IT and Software Development, Product Development, Financial Services, Healthcare, Manufacturing, Telecommunications, Retail, Consulting, and Government sectors.

Course Offerings:

Participants of The Agile Coaching Course Advanced will gain the following learning outcomes:

- Understanding the core principles and methodologies of agile coaching
- Applying effective communication strategies in agile environments

- Addressing identity crises within agile teams and organizations
- Navigating agile project management approaches
- Providing coaching and mentoring to support agile teams
- Developing leadership coaching skills in an agile context
- Exploring agile certification options and best practices

Training Methodology:

The Agile Coaching Course Advanced employs a dynamic and interactive training approach, combining lectures, case studies, group work, role-playing, Q&A sessions, and feedback and reflection sessions. This methodology ensures a comprehensive learning experience and caters to different learning styles.

Course Toolbox:

Participants will receive a comprehensive toolbox that includes course workbooks, reading materials, online resources, templates, and recommended software tools. These resources support learning and provide ongoing guidance and support beyond the course duration.
