FAQ

- **What specific qualifications or prerequisites are needed for participants before enrolling in the course?**

This course is designed for professionals with a basic understanding of conflict dynamics. Prior experience in community work or leadership roles is beneficial but not mandatory.

- **How long is each day's session, and is there a total number of hours required for the entire course?**

Each day's session lasts 4-5 hours, including breaks, with a total of 20-25 hours for the course.

- **What is Peacebuilding 4.0, and how does it differ from earlier models?**

Peacebuilding 4.0 focuses on leveraging innovative, next-generation strategies and technologies to address emerging conflicts, emphasizing proactive and community-driven approaches.

How This Course is Different from Other Peacebuilding Courses

This course offers a structured yet flexible framework that adapts to modern conflicts. It goes beyond generic programs by focusing on practical methods for identity-based conflict management and positive peace. Participants gain valuable theoretical insights and hands-on experience, allowing them to apply strategies in real-world scenarios. With next-generation peacebuilding techniques, the course is relevant for addressing both workplace disputes and community conflicts, equipping participants with the skills and confidence to drive transformative change.
