Beyond Basic Safety: The Complete Occupational Health & Safety Training Course

Ref: 36062_5155 **Date:** 14 – 18 December 2026 **Location:** Vienna **Fees:** 5700 Euro

course Overview:

The 'Occupational Health and Safety' course is a comprehensive safety course designed to equip participants with the knowledge and skills necessary to maintain a health safety environment in their workplace. This course combines elements of safety courses, fire safety training, and occupational health and safety courses to provide a holistic approach to workplace safety. Participants will earn a safety certificate upon completion, demonstrating their understanding of key health and safety principles. This course is not just another occupational health and safety course, but a complete package that ensures the safety and health of your organization.

Target Audience:

- Health and Safety Officers
- Facility Managers
- HR Managers
- Employees responsible for maintaining a safe and healthy work environment

Targeted Organizational Departments:

- Human Resources
- Facilities Management
- Operations

Targeted Industries:

- Manufacturing
- Construction
- Healthcare
- Energy

Course Offerings:

Participants will be able to:

- Understand and implement safety measures
- Conduct fire safety training
- Manage the health safety environment

Training Methodology:

This course employs a variety of training methodologies to ensure a comprehensive understanding of occupational health and safety. Participants will engage in case studies, group work, interactive sessions, and feedback sessions. These methods are designed to reinforce the principles learned in the safety courses and fire safety training. The course culminates in a safety certificate, demonstrating the participant's proficiency in maintaining a health safety environment.

Course Toolbox:

Participants will be provided with:

- Workbooks
- Reading materials
- Online resources
- Checklists
- Templates
