Executive Mini MBA: Master Strategic Leadership & Growth

Ref: 36356_96694 **Date:** 15 – 19 August 2027 **Location:** Tashkent **Fees:** 4500 Euro

Course Overview:

The course is designed for ambitious professionals ready to lead in today's rapidly evolving global market. This program offers a unique blend of strategic leadership, competitive analysis, and executive decision-making, ensuring participants gain the skills needed to thrive in high-level business environments. With a strong focus on strategic planning, global competitiveness, and leadership development, participants will learn to shape, implement, and sustain winning strategies.

Target Audience:

- CEOs, Directors, and Senior Executives
- Business Analysts
- Entrepreneurs
- HR Managers

Targeted Organizational Departments:

- Strategic Planning and Corporate Strategy
- Business Development and Marketing
- Human Resources Leadership Programs
- Finance and Operations

Targeted Industries:

- Technology
- Healthcare
- Finance
- Retail
- Manufacturing

Course Offerings:

By the end of this course, participants will be able to:

- Conduct thorough strategic planning and competitor analysis
- Formulate, implement, and lead strategic initiatives for global growth
- Develop frameworks for corporate governance and organizational structure
- Foster strategic thinking and leadership skills for effective decision-making
- Apply international strategy and merger & acquisition principles in business growth

Training Methodology:

This Executive Mini MBA combines case studies, group exercises, and peer discussions with hands-on scenario-based learning to ensure participants gain valuable insights into strategic planning and global competitiveness. Through interactive workshops and practical applications, participants are encouraged to engage directly with real-world business challenges.

Course Toolbox:

- ebooks covering strategic management and global competitiveness
- Templates and checklists for business strategy and strategic planning
- Comprehensive case studies and exercises emphasizing strategic decision-making
- Online resources for international strategy and corporate governance

How This Course is Different from Other Strategic Leadership Courses:

The course stands out with its executive-focused approach to strategic management and global competitiveness. Unlike traditional management programs, this course is action-oriented, combining case studies, interactive workshops, and real-world applications to provide a rich learning experience. Participants benefit from an expert-led curriculum that addresses global business trends, ethical leadership, and innovation, all while fostering strategic decision-making skills. The course doesn't just teach business strategy; it develops proactive leaders capable of navigating complex business landscapes and driving sustainable success.
